Dear Sir or Madam,

You are cordially invited you to the **12th NUMISMATA Berlin!**

Since 1999, that's twelve years, the coin fair in Berlin has been one of the many successful ever-growing professional fairs for established dealers and collectors. It is well-known in Europe and throughout the world. Professional buyers come to Berlin every year expecting to find there exhibitors offering goods of high quality.

From the beginning, j.e. since 1999 this grand numismatic event has taken place at the Berlin Exhibition Centre at the Radio Tower. The NUMISMATA in the German Capital has become an important meeting point for the numismatic world. Due to the significant political and economical status of the capital interest from the native and international public is always considerable.

Coin and stamp collectors are certain to be delighted about this great united collectors' weekend. The NUMISMATA and the International Stamp Fair Berlin will take place side by side in the same pavilion.

They belong together, so they will grow together!!!

If you wish to participate in the fair as an exhibitor or professional buyer, please, fill out the [Registration Form](#) as soon as possible; or at least by mid-July 2010 at the latest. Please observe the [General Terms and Conditions of Business](#). On receipt of your registration, you will be sent a confirmation. After your stand has been planned, you will also receive a bill and further information.

We look forward to welcome you at the NUMISMATA in Berlin!!!

Yours sincerely,
NUMISMATA International Team
